I Ching –

The Book of Changes – has long served as a guide to understanding the rhythms of life—how everything evolves, flows, and transforms. Wine is no different.

At Mister Jiu's, we believe that wine, like life, is a journey of constant change and subtle balance. Inspired by this ancient wisdom, our wine list is structured to reflect the dynamic interplay of forces that shape the world around us, inviting its wisdom to guide your choice tonight. Each chapter explores a unique hexagram, leading you through a curated selection designed to harmonize perfectly with our cuisine.

Dà Chù
The Taming Power of the Great (大畜)

Accumulating virtue, nourishing greatness,
maturing with purpose.

Dà Chù speaks to the quiet strength of self-cultivation — the power that grows not through force, but through patience,intention, and time. It honors restraint as a form of wisdom, where greatness is not rushed, but ripened. Just as the finest wines deepen with age, layered and profound, so too does the spirit gain depth through experience.

On this page, you will find red wines that have matured gracefully — bottles that hold stories within them, offering complexity, balance, and a lingering sense of time well spent.
